#### INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

The Department proposes to adopt regulations to set forth policies and procedures governing the administration of program funds to nonprofit organizations and units of local government.

Before drafting these regulations, the Department conducted a survey of over 100 housing facilities or organizations that have received FESG funds and asked for their input on the proposed regulations. The survey had a 30% response rate. In addition, the Department held two focus groups where survey respondents from both Northern and Southern California provided specific feedback on regulatory ideas developed by the Department. The provisions are as follows:

**Section 8400 Purpose and Scope**—This section sets forth the policies and procedures governing the administration of funds by the California Department of Housing and Community Development.

**Section 8401 Definitions**—This section defines the terms and acronyms whose meanings are unique to the FESG program. Some definitions from the federal regulations are included in the State regulations as a convenience to the reader.

**Section 8402 Allocation of Funds**—This section sets forth the provisions to facilitate the distribution of FESG funds allocated to the State by the Department of Housing and Urban Development (HUD).

**Section 8403 Notice of Funding Availability**—This section sets forth the information required for the purpose of awarding FESG funds to local governments and private non profit organizations that provide emergency housing and services to the homeless.

**Section 8404 Eligible Organizations**—This section sets forth the minimum standards under federal and state law that applicants must meet in order to apply for FESG funds.

**Section 8405 Eligible Applications**—This section sets forth the eligibility criteria upon which applications will be judged to ensure a fair and competitive process.

**Section 8406 General Program Requirements**—This section sets forth eligible and ineligible uses of FESG funds, and conditions which must be met in order to receive FESG funds.

**Section 8407 Homeless Prevention Activities**—This section sets forth the federal and state requirements that govern spending on activities to prevent homelessness.

**Section 8408 Leasing or Renting Rooms with Vouchers**—This section sets forth the requirements for issuing vouchers for temporary housing.

**Section 8409 Renovation, Conversion and Major Rehabilitation**—This section sets for the requirements for use of program funds for renovation, major rehabilitation, or conversion of buildings to be used as emergency and transitional housing.

**Section 8410 Match Requirements**—This section sets forth the process by which the Department will meet the federal match requirement for the FESG program.

**Section 8411 Grant Selection Process**—This section sets forth information regarding the grant selection process.

**Section 8412 State Recipient Contract Requirements**—This section sets forth the requirements of a state contract with recipients of FESG funds. Section 8412 also establishes a process whereby the state recipient contract is written. This section also identifies the information to be included in the contract, and the related timeframes.

**Section 8413 Procedures and Requirements for Procuring Contracts for Services or Materials under a Capital Development Contract**—This section sets forth requirements for procuring contracts using Capital Development forgivable deferred loan funds. This section helps to ensure that Capital Development funds are being spent efficiently and effectively, and helps to ensure a fair, open, and competitive process.

**Section 8414 Requirements for Renovation, Conversion, or Major Rehabilitation Performed by the State Recipient**—State recipients that perform labor or provide materials for renovation, conversion, or major rehabilitation projects need some restrictions to prevent conflicts of interest or misuse of FESG funds. This section provides the minimum restrictions necessary to protect public funds from misuse without excessively regulating the State recipient's work.

**Section 8415 Budget Changes**—This section sets limits on project budget changes to prevent changes to the scope of activity after awarding funds. These requirements are necessary to ensure a fair and open competitive process.

**Section 8416 Disbursement procedures**—This section lists the general rules pertaining to the disbursement of FESG funds.

**Section 8417 Reporting Recordkeeping**—This section sets forth the state and federal reporting and recordkeeping requirements for the FESG program.

**Section 8418 Monitoring Grant Activities**—This section ensures that public funds are appropriately expended. This section provides the minimum information necessary regarding monitoring visits and the consequences of falsifying records.

**Section 8419 Audit Requirements**—This section restates the general federal audit requirement for the FESG program.

**Section 8420 Sanctions**—This section sets forth sanctions that the Department may impose upon a state recipient for failure to abide by federal or state laws and regulations governing the FESG program.

**Section 8421 Other Federal Requirements**—This section reminds FESG state recipients that they must also abide by all other applicable local, state, and federal laws governing the FESG program.
